Application to enrol in a Queensland state school

This sheet contains information on how to complete the Application for student enrolment form (SEF-1 Version 8).

Entitlement to enrolment

Under the *Education (General Provisions) Act 2006 (Qld)* a state school must enrol a prospective student if they are entitled to enrolment. While not exhaustive, the following matters may affect a prospective student's entitlement to enrol in a state school:

- if the school has a School Enrolment Management Plan or an Enrolment Eligibility Plan (enrolment is subject to eligibility under the plan)
- the applicant is a prospective mature age student (the applicant can only apply for enrolment at a mature age state school and will be subject to a satisfactory criminal history check, or as a student in a program of distance education. All prospective mature age students must have a remaining allocation of state education.)
- the prospective student is not of correct age for enrolment (relates to Preparatory Year and Years 1 to 6)
- the prospective student has been excluded, or is subject to suspension from a state school at the time of the application
- the school principal reasonably believes that the prospective student presents an unacceptable risk to the safety or wellbeing of members of the school community (application is referred to the Director-General)
- the school is a state special school and the prospective student does not meet the criteria for enrolment in a special school
- the proposed enrolment requires approval as part of a flexible arrangement under s.183 of the *Education (General Provisions) Act 2006 (Qld)*, and the arrangement has not yet been approved
- the prospective student is not an Australian resident or citizen or the child of an Australian permanent resident or citizen (visa restrictions may apply, fees may be charged, in some cases legislation requires that the prospective student must obtain approval from the Chief Executive via Education Queensland International (EQI) to enrol)
- the school does not offer the year level that the prospective student should be enrolled in
- the prospective student has no remaining semester allocation of state education. Enrolment cannot proceed until additional semesters are applied for by the prospective student (or parent on their behalf) and granted.

Prospective student

A prospective student is a person who has applied to enrol at a state school but who has not yet been accepted for enrolment.

Parent's occupation and education

All parents across Australia, no matter which school their child attends, are asked to provide information about family background (answering this question is optional). The main purpose of collecting this information is to promote an education system which is fair for all Australian students regardless of their background.

Court Orders

Any court orders concerning the prospective student's welfare, safety or parenting arrangements should be provided to the school, and the school should also be provided with any new or updated orders.

Name on enrolment form

A prospective student should be enrolled under their legal name as per their birth certificate. There is provision to also record a preferred family and/or given name. The preferred name will be used on internal school documents such as class rolls. The legal name will appear on semester reports unless there is a specific request to use the preferred name only. This request can come from parents/carers or the student (if the student is independent/mature age).

Gender

Information about gender is supplied to the Federal Government to comply with State funding agreements. The gender category with which a person identifies may not match the sex they were assigned at birth. There is no requirement for a student's gender recorded on this form to align with the sex shown on their birth certificate or passport.

Religious Instruction

Religious instruction is a program approved and provided by a religious denomination or religious society. Other instruction relates to part of a subject area that has been covered within the curriculum and may include, but is not limited to, personal research and/or assignments, revision of class work, and wider reading. Information about religious instruction available at the school, and about other instruction, is provided by the school at the time of enrolment and on the school's website.

INSTRUCTIONS

Please refer to the *Application to enrol in a Queensland state school* information sheet at the end of this form when completing this application. Completion and submission of this application form to the school does not confirm enrolment. The school will notify you of the outcome of your application as soon as practicable.

Failure or refusal to complete those sections of the form marked with an (*) or to provide required documentation may result in a refusal to process your application. These questions and your consent are considered necessary to ensure the school can undertake its administrative and care responsibilities.

Sections of the form not marked (*) are optional. However, failure to complete these sections may result in the school not being eligible for important Federal and State Government funding reliant on such information. Parents of all students in Australia have been asked to provide information on their family background as part of a national initiative towards providing an education system that is fair to all students, regardless of their background. The required information includes the Indigenous status and language background of the student, and the education, occupation and language background of the parents.

If you have any questions about the enrolment form or process, or require assistance completing this form, including translation services, please contact the school in the first instance.

NORTHERN BEACHES STATE HIGH SCHOOL

SCHOOL ENROLMENT MANAGEMENT PLAN

Overview

Northern Beaches State High School recognises as its prime obligation, the provision of access to an appropriate educational service for students whose principal place of residence is within the school's catchment area.

Because of enrolment capacity and growth Northern Beaches State High School may be unable to meet this obligation in the future, unless action is taken to manage enrolments. The Principal must restrict the enrolment of out-of-catchment students to ensure in-catchment students can enrol at their local state school, without requiring additional facilities.

This School Enrolment Management Plan (School EMP) sets out the conditions under which students may be enrolled into Northern Beaches State High School, subject to any other requirements or limitations in:

- the *Education (General Provisions) Act 2006* (the Act)

This School EMP is supported by:

- Enrolment in State Primary, Secondary and Special Schools procedure
- School Enrolment Management Plans (School EMPs) procedure

Student Enrolment Capacity of School

Northern Beaches State High School has a maximum Student Enrolment Capacity of 871 students.

Local Catchment Area

A school's local catchment area is the defined geographical area from which the school is to have its core intake of students.

Northern Beaches State High School operates under an equidistant catchment area.

The school's catchment map is available to be viewed at either the school's administration building or online at <http://www.qgso.qld.gov.au/maps/edmap/>.

Enrolment Policy

Students within catchment:

Any student, whose principal place of residence is within the school's catchment area/s, is (subject to the *Education (General Provisions) Act 2006*) entitled to enrol at the school. The school Principal will reserve places for students who move into the catchment area throughout the school year.

Parents or legal guardians who wish to enrol their child at the school will need to demonstrate that the student's principal place of residence is within the catchment area. Current proof of residency at the address indicated can be provided by way of one of each of the following:

- One primary source – a current rental/lease agreement, or rates notice, or unconditional contract of sale; **and**
- One secondary source – a utility bill (e.g. electricity, gas) showing this same address and parent's/legal guardian's name.

If the Principal is not satisfied that the documentation provided by an applicant demonstrates adequately that the address stated is the student's principal place of residence, then **the Principal may request further sources of proof of residency**. Examples may include (but are not limited to):

- Additional utility bills (e.g. water bill) or a series of bills at for the same address over a sequential period to demonstrate continued/ongoing residency
- Electoral Roll verification letter
- Mobile phone statement (with current address details)
- Statutory Declaration
- Driver's Licence (with current address details)
- Bank statement (showing current address details; financial details are not required)
- Tax Assessment Notice (financial details are not required)
- Documents demonstrating recent change of address / re-location to within the school's catchment area (e.g. proof of sale or termination of lease for the previous principal place of residence in a different catchment).

The Principal may also request a properly sworn Statutory Declaration from the enrolling parent or legal guardian attesting that the student's principal place of residence is the place nominated in the enrolment application.

In addition to the documents listed above, students living with a relative/other person within catchment **must** provide the following:

- Properly sworn Statutory Declaration from the student's parent/legal guardian; and
- Properly sworn Statutory Declaration from the person/s the student will be residing with in-catchment.

The Principal may also request additional pieces of proof of residency and interview/s with all parties to discuss the living arrangement.

Applicants should note that a false statement/assertion about the student's principal place of residence may amount to an offence and may be reported to police. The school Principal may repeal a decision to enrol a student in such circumstances.

Other students who are entitled to enrol as if in-catchment:

The following groups of students will be entitled to enrol, even though they may reside outside the school's catchment area:

- Children and young people who are subject to child protection orders that grant guardianship or custody to the Chief Executive Officer of the Department of Communities, Child Safety and Disability Services (Child Safety Services)
- Siblings** of current students at the school (excluding siblings of Program of Excellence students and siblings of students who were placed at the school as a result of exclusion from another school). Where a school has both a primary and secondary campus, siblings are only entitled to enrol in the same campus as the currently enrolled student
- Students who (during school term) reside at the school's boarding facility
- Students whose parent or legal guardian is employed by the school
- Students who live outside the catchment area and are verified with a disability can enrol in the school to attend the specialised disability program if it is the closest program to their home and meets their individualised needs
- Students whose principal place of residence is further than 55km to their nearest state school are entitled to enrol at any neighbouring school
- Students who have been excluded from another school, dependent upon the conditions related to the exclusion, subject to agreement of the Regional Director
- Students in remote/regional locations who access a School Transport Assistance Scheme (STAS) bus service, provided by the Department of Transport and Main Roads (DTMR), to travel to their closest school, as determined by the DTMR bus route.

**To be accepted under the sibling provision, the:

- i. applicant must meet the definition of sibling in the School EMP procedure;
- ii. enrolled sibling must not have been enrolled in a Program of Excellence at the school (i.e. siblings of POE students are not automatically entitled to enrol); and
- iii. intended enrolment commencement and/or attendance of the sibling must be concurrent with the attendance of current student for the application to be valid. For example, if the applicant will be commencing in 2016, but the current enrolled sibling finishes school in 2015, then the application will not be valid.

Out-of-Catchment application

Applications from any other person, not meeting the criteria outlined above, is an out-of-catchment application. Enrolment of students from outside the local catchment area is restricted to ensure that enrolments do not exceed the Student Enrolment Capacity. This school can only enrol out-of-catchment students:

- I. if there is sufficient spare capacity after reserving places for students who move into the catchment during the year; and
- II. after taking into account the school's projected future enrolment growth.

Out-of-catchment students applying for enrolment at this school are placed on a waiting list, assessed in order of receipt and prioritised as follows:

✓ ***All other out-of-catchment enrolment applications.***

Fees

Under the Department's State Education Fees procedure, a principal of a state school with an approved School EMP is able to charge a fee for recouping costs of enrolment processing (subject to consultation with the Parents and Citizens' Association) where:

- the enrolment management plan permits the enrolment of a student living outside the catchment area based on cultural, sporting or academic merit, and
- the significant number of prospective students living outside the catchment area and applying to enrol results in abnormal administrative costs to the school, for example, enrolment examination supervision and marking.

Acceptance and Assessment Process

Out-of-catchment enrolment applications will be recorded on a waiting list in order of receipt, by date and time. These applications will remain current only for the school year in which they are applying to enrol.

Decisions on Enrolment

The Principal is responsible for all decisions on enrolments.

Where a Principal forms a preliminary view that an application will not succeed, applicants will be notified in writing. Applicants may respond to the Principal's preliminary view by making a submission to the Principal, no later than seven (7) school days after receiving the preliminary view letter.

If no submission is received, the Principal's preliminary view will be treated as the final decision and no further notice will be provided.

If a submission is received, the Principal will consider the submission and make a final decision. A final decision notice will be provided to the applicant as soon as is practicable. There is no internal review of the Principal's decision.

Gazettal Date

This updated version of the School Enrolment Management Plan for Northern Beaches State High School was gazetted on 22 June 2018.

The School EMP is internally reviewed each year, and if required, updated to reflect any changes to Student Enrolment Capacity and/or Programs of Excellence.

Introduction to the State School Consent Form (attached) for Northern Beaches State High School

This letter is to inform you about how we will use your child's personal information and student materials. It outlines:

- what information we record
- how we will use student materials created during your child's enrolment.

Examples of personal information which may be used and disclosed (subject to consent) include part of a person's name, image/photograph, voice/video recording or year level.

Your child's student materials:

- are created by your child whether as an individual or part of a team
- may identify each person who contributed to the creation
- may represent Indigenous knowledge or culture.

Purpose of the consent

It is the school's usual practice to take photographs or record images of students and occasionally to publish limited personal information and student materials for the purpose of celebrating student achievement and promoting the school and more broadly celebrating Queensland education.

To achieve this, the school may use newsletters, its website, traditional media, social media or other new media as listed in the 'Media Sources' section below.

The State School Consent Form may, at your discretion, provide consent for personal information and a licence for the student materials to be published online or in other public forums. It also allows your child's personal information and student materials to be presented in part or alongside other students' achievements.

The school needs to receive consent in writing before it uses or discloses your child's personal information or student materials in a public forum. The attached form is a record of the consent provided.

It should be noted that in some instances the school may be required by the *Education (General Provisions) Act 2006* (Qld) or by law to record, use or disclose the student's personal information or materials without consent (e.g. assessment of student materials does not require further consent).

Voluntary

There will not be any negative repercussions for not completing the State School Consent Form or for giving limited consent. All students will continue to receive their education regardless of whether consent is given or not.

Consent may be limited or withdrawn

Consent may be limited or withdrawn at any time by you.

If you wish to limit or withdraw consent please notify the school in writing (by email or letter). The school will confirm the receipt of your request via email if you provide an email address.

If in doubt, the school may treat a notice to limit consent as a comprehensive withdrawal of consent until the limit is clarified to the school's satisfaction.

Due to the nature of the internet and social media (which distributes and copies information), it may not be possible for all copies of information (including images of student materials) once published by consent, to be deleted or restricted from use.

The school may take down content that is under its direct control, however, published information and materials cannot be deleted and the school is under no obligation to communicate changes to consent with other entities/ third parties.

Device & Network User Policy

The computer network provides resources to enhance our learner-centred community. The Device & Network User Policy has been designed to maximise the benefits that come from using a networked computer system with internet access while minimising the risks. Access to the network for all students is conditional on complying with this user policy statement and guidelines.

Key Conditions of Use

All users have an individual logon user name that is password protected. The individual user name provides rights and privileges such as internet, a personal folder, common areas and printing. Activities are being monitored at all times through student logon user names. This consists of:

- Formal Monitoring: Traced by user logon details and includes proxy logs, printing records, and workstation records.
- Informal Monitoring: Staff access to student folders, network administrators applying filters and regular searches and removal of harmful data.

1. School Device Use

- All students must take care not to damage school devices, peripherals or other associated equipment.
- Network and peripheral cables are to remain connected to school devices and not to be tampered with or removed.
- Food and drink are prohibited within classrooms and around devices that are used outside of the classroom setting. A secure water bottle may be brought into the classroom and is the only exception to this rule.
- Use of Office 365 software is only allowed under teacher instruction and all user avatars are to be of the student or remain the default avatar (student's initials) provided by Microsoft.

2. User Logon Integrity

- Each user must keep all passwords secret. No user may share their password or give others access to their account, even by logging in for another person.
- No user may attempt to gain access to another user's account.
- Users are responsible to select a password that complies with Education Queensland's minimum standards for password complexity, as per password creation guidelines at time of creation or reset.

3. Network Security and Student Safety

- No student may create, access, store, transfer, email, redistribute or use files that are illegal, offensive, dangerous or harmful in any way.
- Students must always ensure files, including files transferred by USB and Wi-Fi links, are used for educational purposes and are scanned for viruses prior to use. Inappropriate files such as trojans or keygens that are introduced to the school network will be detected and will require action.
- School ICT hardware may not be altered in any way.
- Students are to inform staff immediately of any suspected inappropriate activity.

4. Internet and Email Use

- Internet and email are provided for assigned class work and assignments set by teachers, solely for educational purposes as supervised and approved by the school.
- Internet and email are to be used appropriately and legally with consideration of other users and respecting the privacy, safety and reputation of themselves, others and the school.
- Students should consider 'Netiquette' when communicating online. Personal details, images or information should never be included in online communication.
- The use of inappropriate language in emails will be a breach and be picked up by EQ Wordscan.
- A monthly internet download quota limit will be applied to all user accounts. The limit will be sufficient for educational activities to be carried out.

5. Cybersafety & Security

The safety of our students when working in an online environment is a high priority.

1. Ensure your cybersafety by keeping your personal details, including username, password, address or phone number, private.
2. Your account details need to be kept private. It is not appropriate to share these details with another student for their use.
3. In line with cybersafety guidelines, ensure you do not, under any circumstances, store, send or upload photos of yourself, other students, teachers or visitors to the school.
4. Social media (e.g. Facebook, AskFM, Instagram, Twitter, SnapChat, etc.) are not to be accessed during class time.
5. All activities on the school network, including internet history, may be stored, accessed and monitored by authorised EQ staff to determine your compliance with this agreement.
6. Hacking or attempting to hack the network and other accounts or bypassing network security or filtering are serious inappropriate uses of ICT equipment and will incur consequences.
7. Downloads of large files, videos or images through the school network will affect the use of the network for others.
8. The publishing of inappropriate or abusive material about staff, students or the school in any public or school domain, including the internet, is a breach of the school's Student Code of Conduct.
9. The viewing, scanning, storing, transmitting, forwarding, printing, playing, etc. of inappropriate images, video, audio or email is strictly prohibited. This applies to anything that could cause offence to others and anything that is disruptive to an activity.

6. BYOD Students

We expect all students arrive to school ready and prepared to learn. This includes ensuring your ICT equipment is functional and in good working order.

- Ensure your device is fully charged before school and has enough battery life for all class periods to complete required work.
- Devices should be stored in school bags when moving between classes or around the school.
- While at school, devices should be used for educational purposes, including the use of camera and video devices. The use of these devices is only permitted under teacher direction.
- To avoid damage, food and drinks should be kept away from ICT equipment.
- Your device is for your use only. Do not share it with others.
- Regularly check that all ICT equipment, including USBs and home devices are tested for viruses and other threats.
- Update your device and apps regularly. Running the latest version of iOS and apps ensures you can make the most of your device.
- Only run approved and officially released versions of iOS. Ensure that the device is well maintained and in good working order.
- Wait to use your device or open apps until your teacher instructs you to do so.
- Using your device to communicate with other students during learning time is not permitted unless under direct instruction from your teacher.
- Your device cannot be used during exams unless you are otherwise instructed.
- Students are not permitted to take a photo of any assessment task sheet or exam without approval.
- Responsibility for loss or damage of a device at home, in transit or at school belongs to the student. Advice should be sought regarding inclusion in home and contents insurance policies. It is advised that accidental damage and warranty policies are discussed at point of purchase to minimise financial impact and disruption to learning should a device not be operational.

Consequences

Any student participating in activities that breach device safety or network security will be dealt with in accordance with our school's Student Code of Conduct. Consequences may include detention, loss of privileges and access or suspension. Students and parents will be required to re-sign the Device & Network User Agreement form following any breach.

Student Resource Scheme – Parent Information Letter

Dear Parents/Guardians,

This letter contains important information about the **Student Resource Scheme (SRS)** including how the scheme operates and the annual participation fee.

The Queensland Government supports students' education by providing funding for:

- Instruction, e.g. teachers
- Facilities, e.g. buildings, amenities, furniture
- Administration, e.g. staffing and resources to administer the operations of the school.

Funding does not extend to individual student resources such as textbooks, computer or musical equipment for personal use, and many items used/consumed by the student in the classroom. Supply of these items is the responsibility of parents.

To provide parents with a cost effective alternative to purchasing textbooks and/or resources elsewhere, Northern Beaches State High School operates a SRS.

The scheme ensures that students have the resources required for them to engage with the curriculum for their education, and saves parents time and money in sourcing the prescribed materials elsewhere. Savings are gained through the school's bulk purchasing practices and hiring arrangements. The scheme is not used to raise funds for other purposes, and revenue collected through the scheme is applied only to the resources and operation of the scheme.

The scheme's operation, resource inclusions and participation fees were approved by the school's P&C Association at the meeting held on the 17th of November 2021.

SRS Participation

The objective of the scheme is to provide a convenient and cost-effective way for students to access the educational resources necessary to enhance their learning experience at school. The Department encourages parents to participate in the scheme. Participation in the SRS is optional, and no obligation is placed on a parent to participate. Participation is for the duration of your child's enrolment at the school.

Student is new to the school....

Parents are required to complete and return the SRS Participation Agreement Form when joining the scheme for the first time. **If no participation form is received, the school will take the view that the parent has chosen to opt out of the SRS. The parent is then required to provide the educational resources listed in the SRS for their child by the start of the school year.** A parent can opt in or out of the scheme in subsequent years by completing another Participation Agreement Form.

Continuing student of the school....

A parent's participation or non-participation in the scheme will continue as per their previously completed Participation Agreement Form. A parent can opt in or out of the scheme in subsequent years by completing another Participation Agreement Form.

If a parent has opted out of the scheme the parent is required to provide the educational resources listed in the SRS for their child by the start of the school year.

Type of Resources provided

Generally, the three types of resources that could be included are:

- **Owned** – these items are retained by the student and used as required (e.g. ID cards, student diary, workbooks).
- **Used** – these items are used/consumed in class by the student (e.g. industry technology/cooking/art supplies).
 - work/items produced from these resources will remain the property of the student.
- **Hired** – these items are hired to the student for their personal use for a specific period of time (e.g. textbooks, musical instruments).

- Hired items must be returned to the school in good condition at the end of the hire period or if the student leaves the school.
- A repair or replacement cost may be charged to the parent for any hired items that are damaged or not returned.

The Textbook and Resource Allowance

The Department of Education provides a Textbook and Resource Allowance (TRA) to assist parents with the cost of textbooks and other education resources for eligible Years 7 to 12 students. For those students who are eligible to receive the TRA, the TRA will be applied to reduce the cost of participation in the SRS. Information on the TRA can be found on the department's website (<https://education.qld.gov.au/about-us/budgets-funding-grants/grants/parents-and-students/textbook-resource-allowance>).

Year level	TRA Rate (2023)
Years 7 to 10	\$146
Years 11 to 12	\$317

The SRS Participation Fee

The SRS fee payable for the year is \$260 for all year levels. This also includes the TRA component which has been deducted to reduce the SRS fee payable.

* Additional Subject Fees are applicable to the senior subjects of Furnishing, Engineering and Certificate Subjects.

Financial Hardship

Parents experiencing financial hardship who are currently participating or wish to participate in the SRS should contact the school to discuss available options in confidence.

Payment Method

SRS payments can be made by QParent/BPOINT, BPAY, EFTPOS (Credit/Debit Card), Cheque, Cash, Centrepay.

- Payment may be made through the QParent portal using a credit card. Payment will be directed from the QParent portal to BPOINT where relevant outstanding invoice information may be selected.
- When paying by BPOINT, please use the Customer Reference Number (CRN) and invoice number printed on the invoice received from the school. If unsure of the CRN, please contact the school.
- Centrepay Deductions are available to pay the SRS fees. Use Centrepay to make regular deductions from your Centrelink payment. Centrepay is a voluntary and easy payment option available to Centrelink customers. Go to humanservices.gov.au/centrepay for more information on how to set up your Centrepay deductions.

Contact Us

For all queries regarding the SRS and its inclusions, please contact and arrange an appointment with Janet Belgrove on 4751 7111 or email bsm@northernbeachsshs.eq.edu.au

Please complete the SRS Participation Agreement Form and return to the school administration office as soon as possible.

Kind Regards

Student Resource Scheme - Participation Agreement Form

The Student Resource Scheme

The Student Resource Scheme (SRS) is a user-charging scheme operated by schools to provide parents with a mechanism to access individual student resources that are not funded by the government.

Government funding for schools does not extend to individual student resources and equipment for their personal use or consumption. Supply of these items, such as textbooks and personal laptops/iPads, is the responsibility of the parent.

The objective of the scheme is to provide parents a convenient and cost-effective alternative to individual supply of resources for their students. Participation in the SRS is optional, and no obligation is placed on a parent to participate.

Terms and conditions for participating in the scheme are provided on the reverse side of the form. Information is also provided on the Textbook and Resource Allowance (TRA) where applicable.

This Participation Agreement Form applies for the duration of a student's enrolment at the school, however parents who are participating in the scheme can choose to opt out from the SRS in future years by completing a new Participation Agreement Form. Any new Participation Agreement Form submitted annually and received by the school will supersede the previous form lodged.

Parents pay the annual participation fee in accordance with the selected payment arrangement. If a student joins the school mid-year, a pro-rata participation fee may apply.

Parents not participating in the scheme must provide their student with all items that would otherwise be provided by the scheme as detailed in the information provided by the school. Parents can choose to join the SRS in future years by completing a new Participation Agreement Form.

To assist schools in managing and administering the scheme, parents are requested to complete the Participation section of this form and return it to the school.

If parents have not completed and returned the form before the due date indicated by the school in the SRS Annual Parent Information documents, the school will take the view that the parent does not wish to participate.

Payment

14. Where a participation fee has been paid and a student leaves the school during the year, the school must determine if the parent is eligible for a pro-rata refund. This will also take into account any pro-rata of the Textbook and Resource Allowance (TRA) (see Additional Information regarding TRA eligibility) and any outstanding SRS debts (including any debts from damaged or non-returned items). Where the cost of outstanding debts is higher than the calculated refund, the parent is liable to pay this balance of funds.
